REV. DR. GALLUP OCCUPIES

CENTRAL BAPTIST CHURCH Rev. Clarence D. Gallup, D. D., of Providence, was the speaker at the Spnday evening service at the Central Rap-tist church. Dr. Gallup, who is a form-er Norwich man, took his text from the 24th verse in the 5th chapter of Genesis: "And Enoch walked with God, and he wasnot, for God took him."

We heard a great deal during the war about morale, said Dr. Gallup, the morale of the armies, the morale of the people at home, and it was this morale that caused hundreds of posters to be problehed. What was this morale? It was the tip-top of condition of things. Today with the war over we need this same morale in religion, in our industrial life and in the world problems. Morals is to do ones best. The worlding man needs it and also the employs:

man needs it and also the employer and business man.

In the church we need a greater consciousness of God, a higher realm of christianity. This is coming and when it comes it will be the solution of many of the world problems. What the world needs is the higher Christian morale.
